Thank you for your continued support of our swim school.

Are you considering a change in career or want to re-enter the work force? We are seeking confident and interesting people over the age of 16 to complete their Swim Teacher qualification and work for us! We have some expansion plans in place and hope to be able to offer casual, part time and full time positions in 2022 covering a range of aquatic industry roles. Completing your course now gives you time to complete your practical hour requirement to gain the qualification. If this sounds interesting to you, check out <https://royallifesavingwa.com.au/training/swim-teacher-by-royal-life-saving-/c-25/p-308060> and find out if you are eligible for a FREE course!

We are currently funded by Royal Life Saving's Inclusion Department and the Department of Local Government, Sports and Recreation to offer CaLD Learn to Swim programs for adult men and women. These community programs allow our multicultural population access to swimming and water safety lessons at a reduced rate to ensure everyone can participate. We have spaces available in our Women Only and Men Only classes in Term 4 - just email us to enquire.

See you on deck!
